## TERMS & CONDITIONS

### 1. Background and introduction

IRPA2022 Startup Competition 2022 („Competition” or “we”) is a regional European startup competition organized as a satellite event of the 6th European Congress on Radiation Protection (IRPA2022) that is dedicated to find the most promising solutions and innovations in the radiation protection fields. We are excited to serve as a meeting platform for the different contributors including startups, investors, large corporations, government organizations, researchers, professionals and more. However IRPA2022 will be held in the heart of Europe, the historical but still full of life city of Budapest, Hungary, it still remains an international conference welcoming participants from all over the world. We are awarding IRPA2022 Startup Competition winner with full refund of the registration fee.

### 2. Eligibility

Who can enter the Competition:

- We encourage startups in any location, at any stage to apply. Please note that the startup must be a legal, registered entity (does not need to be registered in Hungary) not just an idea or an individual project.
- There are no restrictions on the amount of capital raised. We encourage everyone to apply.
- The application fee is 300 EUR

### 3. Submitting an entry

- All applications must be submitted in English.
- Applications need to be completed by filling out the IRPA2022 Startup Competition Form which is available on the IRPA2022 website: <https://irpa2022.eu/>. Please send the completed and signed application form by e-mail to the following address: [irpa2022@akcongress.com](mailto:irpa2022@akcongress.com)
- Applicants agree that IRPA2022 Startup Competition, their affiliates, regional partners, judges, and any other party selected by IRPA2022 Startup Competition may use any info submitted on applications without restrictions, and further agree that any information submitted may be shared with partnering or sponsoring organizations of IRPA2022 Startup Competition.

Submitting deadline: 30. 01.2022.

### 4. Startup Presentations at Competitions

- All competitors are invited to the IRPA2022 Congress where their concept will be presented.
- The jury will score each candidate through a list of criteria and once all participants are scored, the points are accumulated and the startup with the highest score wins. Congress participants also can vote, these scores are added to the scores of the jury. Each participant can vote once.

- Decisions made by the jury are final. No correspondence will be entered into.

- Whenever we need to contact you in connection with the Competition, we will use the contact information provided by you in the application form. Please try your best to provide as much contact information as possible (email, phone number, etc.). We are not responsible for incomplete or incorrect contact information provided.

- Applicants grant IRPA2022 Startup Competition, their affiliates, and regional partners of Competition the right to photograph, film, record, and capture applicants' representatives, presentation material, and any other material of Applicants via any media format at the Competition, and royalty-free right and license to use any such material in any form.

## 5. The Prize

IRPA Startup Competition will provide free event tickets to attend the IRPA 2022 Congress for every Applicant.

The winner of IRPA Startup Competition will receive a full refund on application fee. The winner will also receive global exposure through IRPA. Select sponsors may also be providing additional prizes to be announced.

## 6. Others

IRPA2022 may cancel the Competition due to unforeseen circumstances.

Participation at the Competition is voluntary and Applicants and attendees forever release IRPA2022, their affiliates, partners, sponsors, employees of these organizations, and volunteers from any and all claims, costs, expenses, suits, liabilities, losses, and damages.

IRPA2022, and regional partners reserve the right to deny entrance to anyone, as well as the right to ask anyone to leave the Competition.
