

D

Les sites professionnels conformes

Cette liste de sites web professionnels respectant les normes s'allongeant tous les jours, elle n'est pas exhaustive. On ne traite que de « conformité CSS », avec mises en page sans tableaux. Tous ces sites ne sont pas valides dans leur structure (HTML ou XHTML) ni accessibles aux handicaps.

Sites en français

- Alsacrations (<http://www.alsacreations.com>). Site de l'auteur, communauté de partage de connaissances dans le domaine de la conception web. Les didacticiels CSS se trouvent à l'adresse <http://css.alsacreations.com>.
- Alsacrations (<http://www.alsacreations.fr>). L'agence web alsacienne créée par l'auteur de cet ouvrage.
- Libération (<http://www.liberation.fr>). Le célèbre quotidien national.
- AFUL (<http://www.aful.org>). Association francophone des utilisateurs de Linux et des logiciels libres.

Get Ready for the Write-a-thon!
Help us meet our goal of 50,000 letters for this year's Global Write-a-thon on December 10, Human Rights Day. Letter-writing helps free prisoners of conscience, stop violence against women and make powerful changes in the lives of individuals!
Register your letter-writing pledge today >>

"Outlawed" Coming to Your Community
Watch this gripping documentary produced by WITNESS, Amnesty International USA and 12 other groups worldwide, about 2 men who were held in U.S. secret prisons and tortured, and later found to be totally innocent. This November, join Amnesty International and attend a screening in your community, or host your own house party. You can also sign our pledge >>

Darfur: Keep the Pressure on
Your elected officials can still do more to encourage the Arab League, China and Russia to press the Sudanese government to admit U.N. peacekeepers immediately into Darfur and save thousands of lives. Help us keep the pressure on Congress >>
